# Sprint3 - Login details

The image is a hand-drawn wireframe of a web browser window. The browser's address bar at the top shows "http://" followed by a search icon. Below the address bar, the page title is "Dating website" next to a heart icon. The main content area contains a short description: "A short description of the website.. This website is blah blah.....". Centered on the page is a login form with the title "Login". Inside the form, there are two input fields: "Email/Username" and "Password". Below these fields is a checkbox labeled "Remember me". At the bottom of the form is a "Login" button. The browser window has a grey header and footer bar.

# Sprint3 - Provide user preference

The image is a hand-drawn sketch of a web browser window. The browser's address bar at the top shows 'Home page' and a search bar with 'http://'. Below the browser window, the page title is 'Dating website' with a heart icon. The main content area features a 'User preference' form with several input fields: 'Age', 'Gender', 'Location', 'Habits', 'Etc', and 'Self introduction'. A 'Submit' button is located at the bottom of the form. The browser window has a standard scrollbar on the right side.
