Sprint3 - Register details

The diagram illustrates a web browser window titled "Register". The browser's address bar shows "http://". The page content includes a header with a heart icon and the text "D8Finder". The main heading is "Sign Up". Below this, there is a form with four input fields: "Username", "Email", "Password", and "Confirm password". A "Submit" button is located at the bottom of the form. The browser window has a standard toolbar with back, forward, close, and home buttons, and a scrollbar on the right side.

Sprint3 - Login page

The image is a hand-drawn sketch of a web browser window titled "Login page". The browser's address bar contains "http://". The page header features a heart icon and the text "D8Finder". The main content area is centered and contains a "Login" form. This form includes two input fields labeled "Username" and "Password", a link "Not yet a member? Sign Up", and a "Login" button. The browser window also shows standard navigation icons (back, forward, stop, home) and a search icon in the address bar.

Sprint4 - Login details

The image is a hand-drawn wireframe of a web browser window. The browser's address bar at the top contains the text "Login" and "http://". Below the address bar, the page title is "Dating website" next to a heart icon. The main content area contains a short description: "A short description of the website.. This website is blah blah.....". Centered on the page is a login form with the title "Login". The form includes two input fields: "Email/Username" and "Password". Below these fields is a checkbox labeled "Remember me". At the bottom of the form is a "Login" button. The browser window has a standard navigation bar with back, forward, and home icons, and a status bar at the bottom.
