AGENDA

- **DONE:**
    - Jimin: Age verification (done)
    - Moon: registration, login (modified Jimin's code), user preference, setup database (all read and write from sql working fine), created wireframe for sprint 4. (done)
    - Xin: Working in webpage layout (in different folder and test it but it was not running on c9 server only work as static page) (done)
    - Matt: Worked on dashboard page, Find ID and password. (In progress) On going for sprint 5 (next sprint)

- **TO DO:**
    - Jimin: Start to make authentication function for security
    - Moon: Creating admin page. (admin login, admin dashboard layout)
    - Xin: Fix the website page bugs and issues.
    - Matt: keep working on dashboard / Find ID, password.

- **Obstacle**:
    - Jimin: Need to study for data transaction in PHP
    - Moon: Need to research about sql and php session part.
    - Xin: Not familiar with PHP programming.
    - Matt: Need to figure out task requirements more.

- **Note:**
    - Morgan did not attend the meeting today, assumed that he was keep working on his tasks on sprint 4 (email verification, new user invite) and it moved to sprint5 tasks.
    - Change password product backlog was the missing. Push to product backlog
